International Foundation Manifesta to hold Press Conference at Art Basel

Dear Friends, we are all deeply saddened by the cancellation of Manifesta 6 by the authorities on Cyprus. Both, the Manifesta Foundation and the Curatorial team are looking into the best possible ways to assure that work done towards this important project will be carried through.

To publicly address this situation, the International Foundation Manifesta will hold a press conference at Art Basel.

The press conference will take place on Wednesday June 14, at 18:00 hrs in the Kleine Festsaal, conference Room Luzern, located on the second floor in the Art Unlimited Hall, at Art Basel.

Please note that a discussion of issues and opinions pertaining to Manifesta 6 can now take place at an open forum at the Manifesta Foundations website, please visit the forum at <http://www.manifesta.org/forum/>
